

## Statistics on Religious Organizations in Japan, 1947-1972 (4)

This issue concludes the presentation of statistics on the *kyōha shintō* or Sect Shinto organizations. The next classification to appear will be that of the *shin kyōha shintō* or New Sect Shinto groups, 47 in all. The first half will be published in 3/2-3 (June-September 1976) [a double issue], the second in 3/4 (December 1976).

Of the Sect Shinto organizations listed in this issue, Tenshōkyō, it should be noted, ceased to exist as a Ministry of Education-registered religious juridical person as of 26 April 1974.

---

NOTE: The symbol [...] means "no report received," and the symbol [-] signifies "does not apply." In the "clergy" columns, figures in parentheses [( )] refer to people of non-Japanese citizenship.
